Subject : Member Tests for BISTECH System 2.16 Version

To Whom It May Concern,

Ref: Announcement dated 26.01.2022 and numbered 18454353-100.04.02-6283

Previously related announcement has been shared that BISTECH System improvements and developments continue with the requirements of product and service diversity and the new version called 2.16, is planned to go live (Production) as of **March 7, 2022**.

The release of 2.16 has been updated with additional issue that is detailed below.

- In All Orders Report (VIOP_TED_YYMMDD) stop order related fields namely “Trigger Condition Instrument, Trigger Price and Trigger Condition” will be updated. Those fields, which are currently filled for all the records, will be blank for the records that the stop order is triggered and the ongoing updates.

The new version are expected to be tested and checked by members prior to deployment. Test environments applications and end-of day reports can be accessed from <https://connect.int2.uyg.borsaistanbul.com>.
