Subject : BISTECH SR3.01 Member Announcement

To Whom It May Concern,

As it is known, in line with the efforts to increase the product and service diversity and the demands of our members, the BISTECH System improvement and development efforts are continuing and the new version, called 3.01, is planned to be put into operation on **December 11, 2023**.

BISTECH Member Free Test Environment (pre_prod test environment) will be updated on October 30, 2023 with the release of 3.01 and the new version is expected to be tested and checked by members prior to deployment.

Details of the changes in the relevant 3.01 version, access to test environments and proofing plan will be notified to you with a separate announcement.

For all the questions and issues on the subject, please contact bistechsupport_autoticket@borsaistanbul.com.

Kindly submitted to your information.

Yours Sincerely,

Korkmaz ERGUN
General Manager
Board Member
